Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$84,000 in funding for the Scott County Sheriff's Department purchase of Disaster Relief and Rescue Equipment and Technology in fiscal year 2023. The entity to receive funding for this project is the Scott County Sheriff's Department, 301 Fuller Street South Shakopee, MN 55379.

The project funding would be used to purchase life-saving evacuation and disaster relief equipment and technology. This equipment and technology would assist in the response, rescue, and recovery of person(s) who are injured, require medical attention or care. It would also assist with barricaded subjects trapped due to natural or other disasters in the field. Examples of equipment and technology needing to be purchased includes victim location technology, search and rescue kits and equipment, medical evacuation equipment and more.

The main focus of the project is to ensure community safety while providing swift and comprehensive disaster relief and response efforts.

In accordance with House Rules, I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Angie Craig
Member of Congress
