Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$2,500,000 in funding for City of New Prague - New Police Station in fiscal year 2025. The entity to receive the funding for this project is the City of New Prague, located at 118 Central Avenue N., New Prague, MN 56071.

The funding would be used for the construction of a new Police Department. The current New Prague department is heavily outdated and lacking space. The City of New Prague would like to add an addition to the existing Fire Station to create a public safety center, housing the Fire Department, Police Department, and with a garage for ambulance services. This new space would allow New Prague's police officers the space and tools they need to continue serving New Prague and the surrounding area long into the future.

The project is an appropriate use of taxpayer funds because it would give the New Prague officers to the space and tools they need to serve New Prague and the surrounding area. It would also consolidate the Fire, Police, and ambulance services into a single place and allow easier access by the public to the different services.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Angie Craig
Member of Congress
